Poly3rdTube™

REFRESH THE PERFORMANCE OF YOUR PONTOON WITH A Poly3rdTube™

“TWO OF MY SONS WERE ON THE NEW TRI-TOON WITH ME THIS WEEKEND. THEY WERE BLOWN AWAY. SITTING HIGHER. SMOOTH RIDE THROUGH CHOPPY WATER. STAYING DRY. SPEED. THEY LOVED IT. WENT THROUGH 25/30 GALLONS OF GASOLINE IN TWO DAYS. AND IT WAS PRETTY DARN COLD OUTSIDE! THE GRANDKIDS SAID IT WAS MORE FUN THAN DRIVING A DIRT BIKE. THANKS FOR SUPPLYING SUCH A GREAT PRODUCT.”

Poly3rdTube™

RIDE

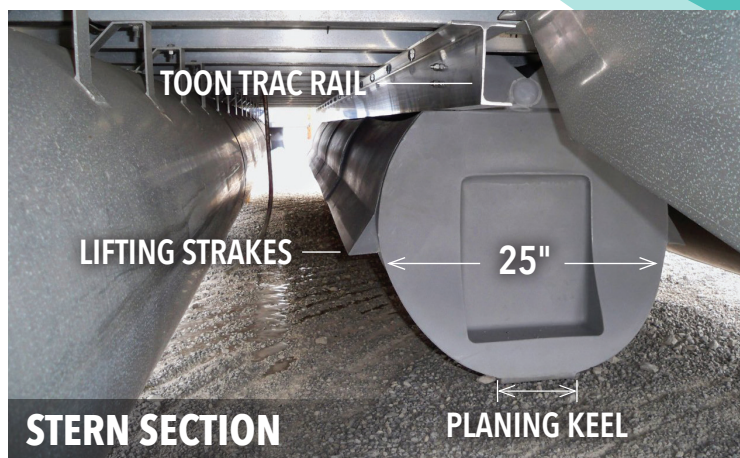

Improve the way your boat feels, with our Poly3rdTube™ Kits. Increase stability, flotation and make for a smooth ride, even in extreme conditions, with reduced side-spray!

PERFORMANCE

Increase the performance of your Pontoon Boat with a Third-Tube Conversion! Our Conversion Poly3rdTube™ Kits lift your boat higher out of the water, reducing drag, improving hole-shot, and increasing fuel economy.

HANDLING

Get your Pontoon to turn on a dime! Third-Tubes dramatically increase your boats turning capability, and helps eliminate cavitation in rough water or hard turns.

FEATURES AND BENEFITS

- All two tube pontoons are "Buoyancy Deficient".
- We offer the Very Best Upgrade for Safety and Performance you can buy today.
- Our Poly 3rd Tube Kit is far and away superior to any aluminum pontoon tube or other product on the market today, it is 2.0 in design.
- Same Performance and Benefits as a "NEW" Tri-Toon.
- Very "Cost Effective" to Ship and Install.
- The kit will stop front and rear weight distribution issues (nosedive, rear drag, overall). Greatly improves Loaded and Unloaded Peak Speeds, Handling and Ride.
- Our Toon-Trac with SlotLock™ creates 100% tube connection and adds tremendous "rigidity" to your pontoon frame for added buoyancy and performance.
- Tube sections are Extremely Durable, made of dent-resistant, high-density Polyethylene/Composite construction for "Zero" maintenance.
- PontoonWholesalers™ Temporal™ custom boat design and manufacturing services guarantees timeless pontoons. Your Poly3rdTube™ investment will significantly increase the value of your pontoon.
- Operates in any marine boating environment.
- New 3TPKM offers the most added Buoyancy / Performance.
- New XB Toon-Trac for Added Buoyancy and Performance.
- New 34 Gallon in Tube Fuel Tanks
- New 34 Gallon Blue/Grey/Black Water Holding Tanks
- We use PayPal Service to invoice. **PayPal**
- ABF "Front Door" shipping. **ABF Freight**
- Have Multiple Tube Kits to Fit "Your" Pontoon and Lifestyle. **PONTOON WHOLESALEERS Poly3rdTube™**
- Limited LifeTime Warranty.

“ WE GOT THE TOON INSTALLED AND TOOK IT FOR A TEST RUN AT OUR LAKE AT 5000 FEET. WE GAINED 400 RPM AND 4 MPH. OUR PONTOON WAS 5200 RPM NOW IT'S 5600 RPM, AND WAS 19 MPH NOW 23 MPH. ALSO, WE CAN TRIM THE MOTOR WHEREAS BEFORE IT DID NOT MAKE MUCH OF A DIFFERENCE. THE RIDE IS MUCH SMOOTHER NOW. WE ARE VERY PLEASED WITH THE PERFORMANCE IMPROVEMENT. ”
